DISCLAIMER

- Use this device at your own risk
- Neither Universal Appeal Productions, or any other Distributors and Retailers assume responsibility or liability for any injuries or damages, resulting from using this device

CAUTION

- If you suffer from a serious skin condition please consult your dermatologist before using
- Avoid using clay-based, silicone-based, grainy cleansers, exfoliators, or scrubs. They can damage the silicone touch points

HOW TO USE

- Use for two minutes twice daily with any cleanser, excluding clay-based, silicone-based, or grainy cleansers, exfoliators, or scrubs
- Use water to wet face and silicone brush, shaking off droplets
- Press the switch to turn on, apply cleanser, wet brush surface, cleanse face and rinse
- Use the deep silicone touch points to clean hard-to-reach areas to remove dead skin and residue
- Use the fine silicone cleaning brush on normal and sensitive areas
- Press the "+" to strengthen the vibration frequency and the "-" to lower the vibration frequency
- Use the anti-aging surface on wrinkle-prone areas
- Use it about 15 seconds on each part of face such as forehead, chin, cheeks and nose
- Vibration pauses every 15 seconds

SAFETY & MAINTENANCE

- Keep dry when charging
- Stop use immediately if you feel discomfort
- Avoid direct sunlight
- Do not expose to high temperatures or boiling water
- Keep out of reach from children
